2015-01-09:

Meeting conducted via Oovoo video conference. Five members present at 7 PM (Betty Daniels, Jack Daniels, Paul Gillespie, Fred Lindley, and Ron Wiley). At approximately 7:20 PM, Joe Pater joined the video conference.

Items of business:

#1. Veterans' Memorial Marker:

After discussion, Jack made a motion, seconded by Ron, that we authorize the purchase of a stone marker from the Jonas Memorial Gardens to be placed in the Milford Township Memorial Park (a.k.a. - the Darrtown village square). The size of the stone will be approximately 5 feet tall, three and one-half feet wide, and 6-8 inches thick. The cost, including the stone, the engraving, and the delivery and set-up, is \$2,400. Dick Bunger donated \$2000 toward this purchase; the remaining \$400 will be taken from the Reunion Committee bank account. The stone will be placed in either the northwest or southwest quadrant of the village square (to be decided). It will be positioned perpendicular to Main Street (St. Rt. 177). The inscription, on both sides, will display the following message:

Milford Township Memorial Park  
Donated by Richard L. Bunger

The motion passed 5-0.

#2. Vendor's Fee:

After discussion, Paul made a motion and Ron seconded it, that we charge a vendor's fee at the 2015 Darrtown Reunion. The fee will be \$50 per space. By making this decision now (January), we can begin the process of informing potential vendors of the September 12, 2015 event. Joe and Fred volunteered to design an email message that they will send to the vendors who participated in the 2014 Bicentennial.

The motion passed 6-0.

The meeting adjourned at approximately 7:35 PM.
